

## Transportation FAQ's

### **Transportation Scholarship**

#### **Does MassBay provide supplemental transportation assistance (funding)?**

Yes – students can apply for the Transportation Scholarship during the first three weeks of each semester. This funding can be used for rides that MassBay doesn't cover. Please visit <https://www.massbay.edu/transportation> or contact Student Development for information on how to apply.

### **Shuttles**

#### **Who can use the MassBay shuttles?**

The MassBay shuttles are available to current MassBay students, MassBay employees, and the general public. MassBay students and employees can ride the shuttles for free by showing their MassBay ID card (OneCard) to the driver.

#### **Where do I wait for the shuttle?**

**MassBay Wellesley:**

**MassBay Framingham:**

#### **How do I know which shuttle to take?**

Each shuttle will display its next stop on the screens on the front and sides of the bus. They also play audio stating the current stop upon arrival.

#### **How can I see where the shuttles are in real time?**

A live shuttle tracker is displayed on TV screens in the front lobbies of the Wellesley and Framingham campuses and on the digital signs at each bus stop. You can also view the live tracker on the MWRTA website (<https://vc.mwrt.com/fixedroute.html>) or by downloading the MWRTA Catch app. Additionally, shuttle schedules are posted in the Wellesley and Framingham front lobbies and on the MassBay transportation website: <https://www.massbay.edu/transportation>.
